

Sally Got Jack

Sally is a girl from a town called Como
in the county of Henry
in the state of Tennessee

working on the late shift I-40 truck stop
hash browns top'n off black coffee
ain't no jamboree

46 to get there 46 back
that's a whole lotta driving on a two lane
track
for a job like waiting on truckers

some times
living in the country is a pain on earth
but sally got jack and jack got sally
ya'll know what that's worth

jack's got a job in a town called hazel
in the county of Calloway
up in Kentucky

get's off at seven takes 641 south
hang a right at 54 heading for the one
who
sets him free

eat a little dinner drink a little wine
sally get's ready while jack unwinds
they only get a couple of hours

some times
living in the country is a pain on earth
but sally got jack and jack got sally
ya'll know what that's worth

solo

bridge
saving up their money in a Paris bank
building their dream house plank by plank
planing on make'n babies

some times

living in the country is a pain on earth
but sally got jack and jack got sally
ya'll know what that's worth
