

The Fireplace

I been hear'n nis baby
Hear'n nis about you
I been hear'n nis baby
Hear'n nis about you
You know where you're going
And how to get there too

Wiggle'n around baby
Ain't gonna do no good
Wiggle'n around baby
Ain't gonna do no good
Until it's me you're up close to
With the fireplace and the wood

I ou who I gotta long way to run
I ou who I gotta long way to run
Well you now I need some helping
But you will not give me none

I been soul search'n to see if you're there
I been soul search'n to see if you're there
I'm wonder'n baby
If you can be found anywhere

I ou who you make me feel so fine
I ou who you make me feel so fine
I couldn't stand to find you with somebody else
Cause if I did you may as well
Lay me down and let me get on wth die'n

I ou who you got a real mean way
I ou who you got a real mean way
I believe you woman
No matter what you say
