

*rainin' (in my soul)*

*outside my window*

*not twenty four hours ago*

*i saw my baby she was walking on out the door*

*come on back i'm standing by the porch screen*

*come on in mama lay it on me*

*it's rainin'*

*it's rainin' in my soul*

*it's rainin'*

*rainin' in my soul*

*hey baby think about it baby*

*i'm in love with you you see*

*you got to give me one more chance*

*come on home and live with me*

*come on back i'm standing by the porch screen*

*come on in mama lay it on me*

*it's rainin'*

*it's rainin' in my soul*

*it's rainin'*

*rainin' in my soul*

*wait a minute wait a minute baby*

*i'll change i'll change i'll change i'll*

*so anything that you want me to*

*if you just get me out of the rain*

*come on back i'm standing by the porch screen*

*come on in mama lay it on me*

*it's rainin'*

*it's rainin' in my soul*

*it's rainin'*

*rainin' in my soul*
