

*volcano*

*i don't know i don't know*

*i don't know where i'm gonna when the volcano blows*

*the ground is moving under me*

*tidal wave's out on the sea*

*sulfur smoke up in the sky*

*pretty soon we learn to fly*

*don't know i don't know*

*i don't know where i'm gonna when the volcano blows*

*my girl quickly said to me*

*mon you better watch your feet*

*lava come down soft and hot*

*you better lava me now or lava me not*

*don't know i don't know*

*i don't know where i'm gonna when the volcano blows*

*no time to count what i'm worth*

*'cause i just left the planet earth*

*where i go i hope there's rum*

*not to worry mon soon come*

*don't know i don't know*

*i don't know where i'm gonna when the volcano blows*

*but i don't wanna land in new york city*

*don't wanna land in mexico*

*don't wanna land in no three mile island*

*don't wanna see my skin aglow*

*don't wanna land in comanche skypark*

*or in nashville tennessee*

*don't wanna land in no san juan airport*

*or the yukon territory*

*don't want to land in no san diego*

*don't want to in no buzzard bay*

*don't want to land on no ayatollah*

*i got nothing more to say*

*don't know i don't know*

*i don't know where i'm gonna when the volcano blows*
