

I Feel So Good

This heat is like an oven
it all seems so unfair
there's fair weather come'n
but i can't find none here

guess i'll go down to that old barroom
crawl up on some stool
say hello the bartending man
and have myself a few

but it don't make noth'n any different
but it don't pay to have the blues
so when i feel like going down
this is all i do

i say
i feel so good
i feel so good
I feel so good
yes i feel so good

now when those evening blues
come to get me
you know where i'll be
following some sweet girl
asking her to sit right
down by me

and sing i feel so good
i feel so good
i feel so good
yes i feel so good

i had a good time for breakfast
i had a laid back dinner too
for desert i had a daydream
man i hope that thing comes true

now the sun is in the ocean
it's lighting up the sea
all i want for you to do
is sing along with me

now sing
i feel so good
i feel so good
i feel so good

yes i feel so good
yes i feel so good
yes i feel so
good

yes i feel so
good
