

Kentucky Lake

When the moon is shining
and the time is late
up on Kentucky Lake
up on Kentucky Lake

the water takes to gleaming
and the children all signing
and the trees swinging in time
it's a good look'n sigh
but not like this mama of mine

see that tower
tall and proud
and see that beacon beam
see that beacon beam

it don't seem like noth'n
but when your time get tough baby
he's a friend in deed
he's a good friend for sure
but not like my mama to me

so when the moon is shining
and the time is late
up on Kentucky Lake
up on Kentucky Lake

the water takes to gleaming
and the children signing
and the trees signing in time
it's a good look'n sight
but not like this mama of mine
