

## Sooner Or Later

Sooner or later it's gonna be fine  
love is gonna grow and grow  
sooner the better  
the better for me I know

you take my hand i'll take yours  
we may as we'll let it show  
sooner or later  
everyone is going to know

you are my lover  
you are the one  
i want to take my time  
you are my lover  
you are the one  
i want to be all mine

yeah yeah um hum

sooner or later you're gonna be mine  
love is gonna get to you  
we can find something  
nobody else can do

you are my lover  
you are the one  
i want to be all mine  
you are my lover  
you are the one  
i want to take my time

sooner or later yeah yeah  
sooner the better  
sooner or later yeah yeah  
sooner the better  
sooner or later yeah yeah  
sooner the better  
sooner or later yeah yeah  
sooner the better
