

Sounds Like A Hit

Open your eyes honey
look in to mine
tell me every thing you find
open your eyes honey
open up and see
if you want my love
it sounds like a hit to me

i got a little ole boat
there's just room for two
you wanna float
that's what we'll do
we'll sail away
and cross over the sea
so put your hand on the paddle
it sounds like a hit to me

i'm yours
you my number one top section
to me
you are absolute perfection

ah i oh
mm mn

you've got the beat
i'm sold
and the way that i feel
when you whisper in my ear
is solid gold

ah i ah
umm hum ah i oh
ah ha ah ha ah ha
sounds like a hit to me

ah ha ah ha oh

i got to tell you baby face to face
my heart is thump'n
like a jukebox bass
you're my all time favorite
i'm hooked from a to z
so if you want my love
it sounds like a hit to me
yes if you want my love
it sounds like a hit to me

ou who ah ha
ah ha ah ha ah ha
sounds like a hit to me

ah honey ah honey
ah ha
sounds like a hit to me

ah ha ah ha ah oh
sounds lie a hit to me

ah ha ah ha ah ha
