

## In Between Lies

That girl she's so fine  
Got to find a way to make her mine  
She's so loose funny too  
Looks so good it's got to be a crime

Last night there she stood  
At a tavern in my neighborhood  
She came close looked around  
Said she knew why I was feeling down

We talked while  
Then we walked on home  
We were feeling fine  
We were all alone  
We were whispering  
When I heard her

In between lies  
Turning the lights down  
What a surprise  
She held her arms around me  
Looked in my eyes and came closer  
And then she loved rock hard

I woke up she was gone  
Guess I should have known it all along  
With a girl like her  
I'd be wishing she was staying on

But I remember her  
And walking home  
We were feeling fine  
We were all alone  
We were whispering  
When I heard her

In between lies  
Turning the lights down  
What a surprise  
She held her arms around me  
Looked in my eyes and came closer  
And then she loved rock hard
