

## In My Hideaway

We all need a place where we can go to  
Get out of the race when we're feeling so blue  
When we need some peace of mind  
Cause we're always running out of time

I run to my hi hi hideaway  
Get back to the hi hi hideaway  
Hi hi hideaway  
So we can take cover

Now when I'm in doubt and I need to discover  
What I'm all about so I can go further  
When it's down to give and take  
And I've got all those decisions to make

I do it in my hi hi hideaway  
Way back in my hi hi hideaway  
Get back to my hi hi hideaway  
Till I'm feeling better

I'll be back to fight the madness  
But what I need right now  
Is my hi hi hideaway  
Till I'm feeling better

When I need a place to stretch out and unwind  
Forget the rat race and have me a good time  
When my spirits need lift  
I try to give myself that gift

And run back to my hi hi hideaway

My hi hi hideaway

Get back to my hi hi hideaway

Till I'm feeling better
