

Bachelor Blues

I bought a green Catalina
And I drove it from Baltimore
I got a green Catalina
And drove it from Baltimore
Across the Mississippi to the California shore

I met a sweet señorita
She was rock'n like an ocean cruise
I met a sweet señorita
She was rock'n like an ocean cruise
I met a lean ballerina taking off her dancing shoes

I got the bachelor blues
yes the bachelor blues
It's the bachelor blues
Yeah bachelor blues
In a world full of women
How's a man supposed to choose

I get up in the morning
Scratch'n like an ally cat
I get up in the morning
Scratch'n like an ally cat
I come home in the evening to my little bachelor flat

I know a redheaded woman
She's hotter than a pepper sauce
I know a redheaded woman
She's hotter than a pepper sauce
I know a blue-eyed blondie
Who ket's me know who's the boss

It's just the bachelor blues
yeah bachelor blues
It's just the bachelor blues
Yeah bachelor blues
In a world full of women
How's a man supposed to choose

Bachelor Blues

I got a TV dinner
And a pile of clothes on the floor
I got a TV dinner
And a pile of clothes on the floor
I got a Dolly Parton poster hang'n on my bedroom door

Yes I love all the women
and I love all the same
You know I love all the women
Yes I love all the same
But I don't love nobody well enough to change her name

It's just the bachelor blues
It's just the bachelor blues
Yeah bachelor blues
It's the bachelor blues
In a world full of women
How's a man supposed to choose
In a world full of women
How's a man supposed to choose
In a world full of women
How's a man supposed to choose
