

I Love Football

Wingback Tailback Cornerback Fullback  
Jump back get back everybody's in a stack  
Tight End gone again pigskin in the wind  
Everybody relieved thanks God he received

I love football  
I love football

Game prelude going to the stadium  
Flirting with cheerleader  
Warming up a hand heater  
Come early stay later  
Talk'n bout refrigerator  
Look at all the tailgaters  
Wait'n for the gladiators

I love football  
I love football  
Let me see it on down in slow-motion  
I love to watch then fall

Tuesday Wednesday  
Only pass the time days  
Thursday Friday  
Check'n out the game play  
Saturday Sunday  
Send the real world away  
All day those days  
And every night Sunday

I love football  
I love football

Knee pins leg brace  
Cortisone the back ache  
The end zone is all it takes  
The rectify the bad brakes

Huddle up get down  
Gonna keep it in the ground  
The quarter back sneaks up  
Good God touchdown

I love football  
I love football  
Let me see it on down in slow-motion  
I love to watch then fall

Let me see it on down in slow-motion  
I love to watch then fall
