

## Your Baby Looks Good

Your baby looks good, she really looks good to me  
Your baby looks good, she really looks good to me  
I heard talk on the street  
You're not even treating her right  
I've had my eyes on that girl and I'm gonna be the first in line  
She was good to you  
She's gonna be good to me  
She was good to you  
She's gonna be good to me

Your baby's staying on, your baby's staying on my mind  
Your baby's staying on, your baby's staying on my mind  
I saw her yesterday  
Standing on the corner crying  
She said she's had enough if you  
Had enough of all your lying  
She was good to you  
She's gonna be good to me  
She was good to you  
She's gonna be good to me

Yeah your baby's on my mind  
She's been there all the time yeah

Your baby looks good, really looks good to me  
Your baby looks good, she really looks good to me  
I heard talk on the street  
You're not even treating her right  
I've had my eyes on that girl and I'm gonna be the first in line  
She was good to you  
She's gonna be good to me  
She was good to you  
She's gonna be good to me  
She was good to you  
She's gonna be good to me
