

## Monkey River Town Girl

Big river that flows  
A little sand on your toes  
Thick salty air  
That you breathe down there  
Makes the breezes that blows  
Wind in her curls  
She's the one in the world  
Monkey River Town girl

Monkey River Town girl  
Sweet as coconut pie  
Down in Belize  
With mahogany trees  
And Caribbean skies  
Don't monkey around  
With any monkey you found  
In Monkey River Town girl

If you could swing a day or two  
I would really love to hang with you

Monkey River Town rocks  
Monkey River never stops  
Monkey River Town girl more fun  
Than a barrel of you know whats  
Where the water whirls  
There's a river pearl
